Dear Mr. Nye:

In accordance with our phone conversation a few minutes ago, attached please find the attachment that Mr. Charon of Congressman Langevin's office sent me earlier this afternoon. It consists of 10 pages - a cover sheet from the Congressman's office; your one page April 11, 2017 FOIA appeal from NAVSEA's failure to timely process responsive records that NCIS referred to NAVSEA by memorandum of September 10, 2014, in connection with your March 1, 2014 email FOIA request to NCIS; and eight pages of attachments.

I have created OGC FOIA Appeal # 17-048 to track this appeal. Please acknowledge your receipt of this email by replying to it and please confirm that I have received all of the pages you intended to submit with your appeal. Please refer to OGC FOIA Appeal # 17-048 in all of our correspondence.

The Department of the Navy, having adopted FOIA Online as its primary FOIA request processing tool, has a duty to capture all FOIA requests in FOIA Online to the maximum extent practicable. I will discuss how best to process your appeal with others in my office, but I believe I can create an appeal from DON-NAVY-2014-010321, which NAVSEA created for the purpose of tracking the referral to NAVSEA from NCIS. As soon as I determine how to enter your appeal in FOIA Online, I will let you know. Even if I cannot make the FOIA Online Case file visible to you, I can provide you print-outs as we go through the appeal process so you can see what information has been entered.

Thank you very much!

V/R, Larry
